

DECO-SIL

SMOOTH COATING
BASED ON SILICONE RESIN

It combines high moisture repellency with excellent water vapour permeability, giving it extremely long-lasting durability.

Waterproof
CLASS 3

UNE-EN ISO 7783-2

Washability
CLASS 1

UNE-EN 13300

With protection
against fungi and
algae.

Water vapour
permeable

CLASS 1
UNE-EN 1062-3
